**AS AN EXTRA SPECIAL FEATURE OF THIS YEAR'S DINNER WE WELCOME OUR HONOURED GUEST**

**PRIVATE DENNIS DAVIS**

**now one of the few remaining survivors of the WW2 Siege of Tobruk -veteran of the famous 9<sup>th</sup> Division AIF**

We are indeed privileged to have Dennis, who is in his 102<sup>nd</sup> year, as our special guest . He will give a short talk on his experiences of his wartime service. Dennis became one of the legendary *Rats of Tobruk* and this campaign lasted for 269 days (from 10/4/41 to 27/11/41). Dennis was one of the many drivers responsible for delivering vital supplies, ammunitions and troops to major battle sites along the line. It was very dangerous work driving in open spaces without much protection.

Dennis migrated to Australia from the UK in 1938. Two years later, distressed at the news of the evacuation of Dunkirk, he enlisted for war service at Paddington NSW. He served in five theatres of war, *Tobruk, El Alamein, Borneo, New Guinea campaigns and Syria-Lebanon on peace keeping duties* During the tough Tobruk campaign, Dennis learnt the value of friendship. The three men fighting alongside him assured him that it would all sort itself out, and it did. When he served in the New Guinea campaign fighting the Japanese battle action conditions were very tough. He experienced an attack of Malaria and spent some time in hospital.
