Dear Friends,

Thank you for your donation to Parramatta Mission for our 2020 Christmas Hampers and Festival of Christmas activities.

Your giving has enabled us to provide hampers across our community, mental health and hospitality services, giving food and gifts to individuals and families in need. These hampers and gifts ensured that everyone had the opportunity to celebrate during the festive season, which was especially important after the difficult year we have all faced.

Although we were unable to host our Christmas Day lunch, we are grateful for the donations of time, free services and items given to make the lead up to Christmas extra special. During the two weeks leading up to Christmas, we provided services including haircuts, hearing tests, dental and medical advice and bra fitting as well as vouchers, travel cards, clothing, shoes and essential items. I would like to pass on to you the joy and gratitude expressed by our guests for your generosity.

Thank you for your collaboration in the work of transforming the lives of so many, we look forward to your continued support in 2021.

Kind Regards

Jo Armstrong
